1. David and Tammy **Allaire** for a Master Plan review including the required Public Information Meeting on a 5-lot subdivision. Property is a 15.5 acre parcel located at **2415 Division Road**, Assessor's Map 67, Plat 13, Lot 29 in an F-2, Farm Zoning District. The yield plan shows a possibility for 7 single family house lots off a new road spur but the applicants propose a four-unit cluster scenario, with common open space as required and two lots having a shared driveway. Project will require zoning relief for inadequate frontage on two lots. [Continued from Jan. 31, 2018]

Two of the 9 units will be deed-restricted as affordable. Site is roughly 31,000 square feet and project is proceeding as a Major Land Development and requires Historic District Commission review. Project received Master Plan approval in June, 2017.
