**ANNOUNCING A NEW PROGRAM:
Free Assistance Device Screening**

Physical therapy students from the New England Institute of Technology are offering a free Assistance Device Screening in the Swift Community Center dining room on Thursday, March 9th from 9:00 - 11:00 a.m. The students will properly adjust any assistance device (walker, cane, etc.) to specifically fit the individual user, clean and provide repairs of devices if needed, replace tennis balls, rubber caps or adjust grips and ensure the individual is using the device most efficiently. Pre-registration is required. Please call Erin McAndrew at 886-8669, ext. 1 or email emcandrew@eastgreenwichri.com.
