

YOUTH SPECIALTY CAMPS

The specialty camps are for youth **entering the 1-6 grades** and will take place at **EG HIGH SCHOOL**.

Specialty Camp programs are generally four days per week, 2 hour a day (9:00am-11:00am) concentrated instructional programs in a specific content area. When signing up your child be sure his/her interest is strong enough to keep his/her attention. No alternative activities are offered.

These programs can work in conjunction with the playground program. If your child wishes to participate in both the specialty camps and the playground program then we will provide supervision from the specialty camp to the playground program. All other campers must be picked up at the end of the program. Be sure to sign up for the playground program if you desire this longer day.

Check the course schedule on pg. 5 for session dates.

Not all camps are held each session.

CAMP DESCRIPTIONS

Broadway Kids: (2nd-4th grades) Fee: \$63

In this fun musical theater class, students will learn several vocal selections from one or more popular Broadway musicals and then practice singing and staging songs. Proper singing techniques will be taught and practice material will be provided. The class includes a final showcase that family & friends are welcome to attend.

Instructor: Experiments in Theater Staff Locat:HS Auditorium

Acting Techniques: (4th-6th grades) Fee: \$63

Whether you are new to theater or an experienced veteran, this class will explore a variety of must know theater concepts and acting techniques from pantomime and improvisation to the Stanislavsky Method and the Meisner Technique. Through monologues and scene work, students will examine a character's intention, learn to define and execute "beats" and discover better ways to live in the moment on stage. The class concludes with a final showcase that family & friends are welcome to attend.

Instructor: Experiments in Theater Staff Locat:HS Auditorium

Summer Theatre Production: (2wks 2nd-8th grades) Fee: \$125

There is no better way to create, collaborate, learn and grow in the theater than taking part in a full-scale production. Join us for a two week performing experience in which everyone gets a part in a one act play that will be performed on the last day of camp. The process includes costumes and props, line memorization and acting instruction. The play will be selected based upon the number and ages of the participants. Every participant will receive a copy of the script that they can keep!

Instructor: Experiments in Theater Staff Locat:HS Auditorium

Stitch and Sew with Felt: (1-3 grades) Fee: \$66

Make a knot, tie a bow, learn to stitch and how to sew! Discover the basics of hand sewing by making craft felt projects. All materials included.

Instructor: Anna Dufresne Location: HS Cafeteria

KidzArt: Fee: \$100

Come have a blast developing your creativity and learning art techniques! Camps include any of the following projects: drawing, painting, sculpting and other fine art projects all wrapped around a kid friendly theme using professional media. "If you can dream, you can draw." All camps have new curriculums each year. This year's one week themes are Marionette Madness-create a paper mache' marionette, Art of the Sea-draw, paint and sculpt objects and creatures of the sea, World Tour-create works of art that depict buildings, people and customs from around the world.

Instructor: KidzArt Staff Loca: HS Art Room 201

Get Crafty: Fee: \$87

Each day your child will complete a project that interests him/her, like a boot or tea cup garden, seashell trees, design a cup and make a gourd bird house or wind chime.

Instructor: Kim Korb Location: HS Home Ec. Rm 202

Candy Land Camp!: Fee: \$87

This camp is a fun hands-on candy making experience for kids of all ages. Some of the projects we tackle are: gum drops, hay stacks, s'mores candy, caramel pretzel, spider bites fudge and more.

Instructor: Kim Korb Location: HS Home Ec. Rm 202

Kids' Cooking Korner: Fee: \$87

What could be more fun than cooking up mouth watering, lip smacking, delicious dishes? Get your creative juices flowing and taste buds awakened. You are about to blast off to a whole new world of cooking adventures!

Instructor: Kim Korb Location: HS Home Ec. Rm 202

The Most Amazing Magic Class Ever: Fee: \$94

Simply the most amazing magic class ever says it all! You will learn how to make things appear, disappear and even float in the air. Jedlie brings 30 years of experience presenting magic in schools nationwide to inspire your inner magician.

Instructor: Jed Doherty Location: HS Room 211

Stop Motion Animation: (4-6 grades) Fee: \$85

Students will explore a variety of stop motion techniques from cut-paper, object, claymation, and dry erase drawing. They will create a series of short videos that will be shown as a mini film festival at the completion of the program.

Instructor: RIMOSA staff Location: HS Ceramics Rm 200

Advanced Stop Motion Animation: (4-6 grades) Fee: \$85

Build on your animation skills to create more advanced & detailed short films. Learn how to add sound & visual affects, use storyboards, clear films, and mood in your films. Class culminates in a mini film festival to showcase students' work.

Instructor: RIMOSA staff Location: HS Ceramics Rm 200

Robotics:

Fee: \$139

Students build models using LEGO® bricks and manipulate simple machines such as gears, pulleys and various sensors. In addition students learn basic programming skills using LEGO® Education WeDo™. Campers work with a partner to build one robot and together animate their creation with computer programming software.

Instructor: Sylvan Learning Staff Loca.: HS Rm 204(II) & 201(V)

Reverse Engineering: (4-6 grades)

Fee: \$85

How and why do things work? Take apart everyday objects and try to put them back together. Build your own moving car, musical instrument, found invention, stomp rocket, and more.

Instr: RIMOSA staff Location: HS Ceramics Rm 200

Artists and Inventors: (4-6 grades)

Fee: \$85

Was Leonardo DaVinci an artist or an inventor or both? Explore ground breaking artists and inventors like DaVinci, Goldberg, Fuller, Calder and Morse. Create your own kinetic sculpture, land art, catapults, mobiles, codes and more.

Instr: RIMOSA staff Location: HS Ceramics Rm 200

Nature Detectives (1-3 grades)

Fee: \$76

Let's get outside to explore the animals and habitats around us! This camp is offered by the Audubon Society of RI. All adventures include science, investigations, nature games and lots of fun! Indoor and outdoor spaces will be used-but most of the time will be spent outdoors.

Instru: Audubon Society Staff Location: HS Cafeteria

POW! Science!: (2-5 grades)

Fee: \$60

All out science! Participants perform hands-on experiments in chemistry, physics, engineering, biology and more!

Instructor: POW! Science! Staff Location: HS Room 204

Dance Camp:

Fee: \$93

Dance camp will teach children some basics in hip-hop, jazz, ballet and acro. They will have fun while learning to work together, build confidence and get moving! At the end of the four days students will have a showcase to show parents what they have been working on all week long. Participants should wear active-wear clothing and sneakers and bring a water bottle to class.

Instructor: Breanna McHenry Location: HS Cafeteria

Aim High Gymnastics: (1-3 grades)

Fee: \$93

Students will enjoy gymnastic instruction along with games and fitness activities each day while receiving individualized instruction from Aim High's highly trained coaching staff. Wear gym clothes-shorts!

Instructor: Aim High Staff Location: HS Cafeteria

Basketball Camp:

Fee: \$45

This program will teach the youths different aspects of the game of basketball and will include shooting, passing, defense and offense as well as a chance to play each day. All children will be given fair playing time. Boys & girls are welcome and should wear gym clothes and sneakers.

Instructor: Bill Coughlin Location: HS Gym

Tennis Camp:

Fee: \$80

Campers will work on coordination, ball control, movement, footwork, forehands, backhands, volleys and serves. Participants must have their own age appropriate racquet and wear sneakers. (Rainsite: HS Gym)

Instructor: Kristen Coker Location: HS Tennis Crts

Girls' Lacrosse Skills Session: (2-5 grades)

Fee: \$51

Cradle, scoop, check! Practice your lacrosse skills in a fun way! Games, drills and challenges! No experience necessary! Participants must bring a lacrosse stick, mouth guard and eye protection. (rain site in HS Gym)

Instructor: Anna Dufresne Location: HS Turf Field
