

TEEN SPECIALTY CAMPS

For those entering Grades 6th-7th-8th

You asked for it so we planned it! Please encourage your friends to join in so we can ensure that enough people sign up so they don't get cancelled!!

Advanced Animation: Build on your animation skills to create more advanced and detailed short films. Add more sound effects, visual effects, mood & storyboards. Create clay-mation video using hand made characters, backgrounds, voice overs & more! Class will culminate in a showcase of films for students and families. Instructor: RI Museum of Science & Art staff Course Code: SUM223

Monday, Wednesday, Thursday, Friday 9am-11am \$85
July 3- July 7, 2017 EGHS Ceramics Room 200

Coding Camp: Utilizing technology powered by TYNKER™, teens will learn new skills and build knowledge of programming basics. Teens will create real web apps that can run on any browser and can be shared with family & friends. Teens create their own animated projects and ultimately video games. Camper will increase their technical proficiency and confidence, as they build a pipeline as future STEM leaders and for success in 21st century careers. Instructor: Sylvan Learning Staff Course Code: SUM323

Monday, Tuesday, Wednesday, Friday 9am-11am \$169
July 10- July 14, 2017 EGHS Room 212

Reverse Engineering: How and why do things work? Take apart everyday objects and try to put them back together, or use the parts to create your invention. Build your own moving cars, stomp rockets, musical instruments and more. Instr: RI Museum of Science & Art Course Code: SUM523

Monday, Tuesday, Wednesday, Friday 9am-11am \$85
July 24 – July 28, 2017 EGHS Ceramics Room 200

CSI-EG: Do you have what it takes to work on the police force and solve crimes? Come & find out as the group uses logic, evidence and critical thinking skills and other tools available to the EG Police force to keep our Town safe. Instructors: EG Police SROs & Lt. John Carter Course Code: SUM623

Monday through Friday 9am-12pm \$25
July 31 – August 4, 2017 EG Police Community Room

Summer Theatre Production: (Grades 2-8)
Join us for a two week performing experience in which everyone gets a part in a full production of a one act play that will be performed on the last day of camp. The process includes costumes and props, line memorization and acting instruction. The play will be selected based upon the number and ages of the participants. 2 week camp. Instructor: Valerie Myette Course Code: SUM508

Monday, Tuesday, Wednesday, Friday 9am-11am \$125
July 24 – August 4, 2017 EG High School Auditorium

YOUTH & TEEN PROGRAMS & LEAGUES

Golf Lessons: We are partnering with the Town of North Kingstown Junior Golf School to offer youth golf lessons. One day per week, come learn beginner skills in golf's fundamentals: grip & address, full swing motion, short game techniques as well as basic rules & etiquette. One instructor per 10 students who are split up primarily by age. Lessons are lead by PGA professionals, John Rainone and Brian Owens, who are assisted by members of the golf shop. Youths should bring their own clubs (some clubs are available for use during the lesson). All rain days will be made up at the end.

Instructor: NK Golf Course Staff Location: NK Golf Course
Ages: 6 years & up
Wednesdays 4:30pm-5:45pm Course Code: SUM014
Thursdays 4:30pm-5:45pm Course Code: SUM007
June 28 – July 27, 2017 Fee: \$115 paid by 6/19 (after 6/19 \$140)

Ultimate Frisbee: Instruction in Ultimate will be provided at the beginning of each session, focusing on improved throwing skills and game strategies, then each session will include a full-field, 7 on 7 game. Course Code: SUM019

Instructor: Dave Egan Location: HS Easement Field
Middle & HS students Tuesdays 6:00-8:00pm
June 27 – August 8, 2017 (no 7/4) Fee: \$10

Tennis Lessons: Teens will work on coordination, ball control, movement, footwork, forehands, backhands, volleys and serves. Participants must have their own age appropriate racquet and wear sneakers. Course Code: SUM010

June 27 – August 15, 2017 (no 7/4 & 7/18) Fee: \$60

Boys' Summer Basketball League: There will be two divisions-four teams in each division. The 6th & 7th grade division will play at 5:45pm & 6:45pm and the 8th & 9th grade division will play at 7:45pm & 8:45pm on Mondays & Wednesdays. College and High School players will be used as coaches and referees. Maximum 48 players per division.

Supervisor: Don Bowen Location: Eldredge Courts

Entering 6-7th grade M&W 5:45-7:45pm Course Code: SUM005
Entering 8-9th grade M&W 7:45-9:45pm Course Code: SUM006
Session I: June 26 – August 2, 2017 Fee: \$90

BORROW A CLUB:

Through a grant program with USGA, the Parks & Recreation Department has available youth golf club sets to borrow for a day. This is a great chance to introduce a youngster to the game that can be played for a lifetime. A parent must sign out the clubs and leave a \$50 deposit in the form of a check. When the clubs are returned the deposit is returned. Right handed clubs in three sizes for youth 6 and over (one 9-11 yrs old left handed set available.)
