Fundraiser to Support Community Boater Safety Day!

For Boy Scouts of America – Sea Scout Ship 1909

Sea Scout Ship 1909 has created a comprehensive program to promote boating safety on Greenwich Bay and the surrounding waters. This safety day is for the benefit of any and all interested boaters and citizens interested in learning how proper water safety protects them and their families as they enjoy recreation on and in the water.

The Community Boater Safety Day will consist of demonstrations, exhibits and seminars that will be held on the grounds of East Greenwich Yacht Club. There may be others who may wish to participate and will be added once vetted and approved.
