

# SAVE THE DATE

September 22, 2021

## Workshop Details

- Hosted by the East Greenwich Planning Board  
Other boards and the East Greenwich Town Council are also invited
- Workshop date: Wednesday September 22, 2021  
Workshop is expected to convene at 7:00 PM in the Town Council Chambers - Town Hall, 125 Main St.
- Workshop Presenters:  
The Town's consultants from Tighe & Bond and James Geremia & Associates will present their work to date and solicit public comment and input.

## Please join us for a Public Workshop on the future of the Town's Wastewater Facilities

Please join us at 7:00 PM on Wednesday September 22, 2021 for a discussion of wastewater management issues. The Town is in the process of updating its Wastewater Facilities Plan. Details about the current collection system and treatment plant, including relevant mapping, will be shared.

The RI DEM sets forth standards for local Wastewater Facilities Planning and they include specific requirements for conducting public workshops. At this event, the Town will inform the public of the project alternatives and provide a mechanism for comment and public participation. We hope to see you there!
